cimplifi™

### **A TRUE END-TO-END SOLUTION**

From initial due diligence to inform your M&A strategy to quickly responding to an antitrust challenge, we have solutions to help you get a handle on the content and obligations within your contracts, review and evaluate large volumes of complex data, and produce information to stakeholders in a timely and effective manner.

### **AI-POWERED WORKFLOWS**

We leverage cutting-edge contract analytics technologies and battle-tested DOJ/FTC-proven workflows to deliver critical information and insights, surface risk, maximize efficiencies, accelerate decision making, and realizing opportunities.

### **INDUSTRY-VETERAN EXPERTS**

We bring together some of the most highly skilled and seasoned project managers, contract attorney reviewers, data scientists, analytics experts, and consultants in the industry, delivering a team of experts who can help you make more informed decisions and meet deadlines with confidence.
