

# Cimplifi Data Migration

There has never been a better time to move your data with confidence and ease.

You have a lot of choices when it comes to selecting a partner for data migration, and there has never been a better time to move your data with confidence and ease. We simplify the process, and we make it easy for you to minimize any disruptions.

Perhaps you fit into one of these three categories:

- You have a large outdated on-premises server environment.
- Your former provider was acquired by another, and you are now working with a provider you didn't select.
- You are not experiencing white-glove service from your partner, but they hold all your data.

Cimplifi is a leading managed services and migration partner with proven migration experience, and we can help your team drive adoption of a new hosting and review tool, demonstrate value and ease, and create better user experiences.

**At Cimplifi, we create easy and seamless migration experiences.**

**WE HAVE MIGRATED OVER 195TB OF DATA AND 1.2B FILES**

## EXPERTS WITH DEEP MIGRATION EXPERIENCE

Through current environment migration consulting, we conduct a matter assessment for archive, near line, and active matters. We help you access legacy matters and determine **what needs to be archived and what should be migrated.**

## WE OFFER CUSTOM BILLING ARRANGEMENTS DURING MIGRATION

Cimplifi offers **simple, all-in pricing** that creates transparency in your billing and invoices.

## A COLLABORATIVE PROCESS

We will **collaborate with you, helping to navigate the migration process** with your current vendor and ensuring you have what you need from your provider to successfully move all your data.

## TAILORED ENGAGEMENTS TO YOUR NEEDS

We make it **easier for you to work with us on your terms** with tailored engagement models and simplified fee arrangements.
